proposals, which is item 8. The policy intent language in items 1, 2, 3, and 4 to be considered third, and items 5, 7, 9, and 10, which covers contractual claims and enforcement to be considered last.

PRESIDENT MAURSTAD: Thank you, Senator Tyson. The question is divisible. We will divide it into four parts. I will restate the division. First division is Section 6. Second division is Section 8. The third is Sections 1, 2, 3, and 4. And the remaining part of the divided question are Sections 5, 7, 9, and 10. Senator Tyson, you're recognized to open on part one of the divided question.

SENATOR TYSON: Thank you, Mr. President. I have a amendment to the amendment filed and it would be on number 6.

PRESIDENT MAURSTAD: Well, Senator, if you want to end your open on the part of the divided question, then we can go to amendment on the amendment.

SENATOR TYSON: Okay, thank you.

PRESIDENT MAURSTAD: Mr. Clerk. Members, we'll stand at ease for a moment while we order the amendments to the divided question. Thank you, members. Mr. Clerk.

CLERK: Mr. President, pursuant to the division, we are now on Floor Amendment 244, which is...was originally Section 6 of the Tyson amendment. Senator Tyson, I now have an amendment to that from yourself: Page 2, line 5 after the word "development", Senator, insert "That involves 12 or more units".

PRESIDENT MAURSTAD: Senator Tyson, you're recognized to open on the amendment to the amendment.

SENATOR TYSON: I am sorry, Senator Janssen, did you carry-over my amendment? Okay. The amendment to the amendment...thank you for your patience, Mr. President and Mr. Clerk. The amendment to the amendment merely inserts after line...in line 5 after the word "development", each mixed-income and mixed-use development that involves more than 12 units shall include a market study for the residential housing. This is in line now with the
